Get Connected in the Community

Join us at Valley View School to get connected!

The Valley View School Council has organized a Community Resource Fair where different groups are teaming up to showcase important services available to everyone in our school community. These services cover a range of needs, like fun activities, mental health support, job training, help for newcomers to Canada with settling in and learning the language, and more. Plus, there will be live entertainment and activities for people of all ages to enjoy! We look forward to seeing you there!
